Bank : Commercial Bank of Ceylon PLC
Status of the Firm : Consultancy & Construction
Business Activities : 1. RCC & Steel Structure Analysis, Design & Construction.
2. DT-NDT Test & Details Engineering Assessment (DEA).
3. Plumbing, Electrical & Fire Safety Analysis, Design & Execution.
4. Total Construction Project Management (Supervision, work schedule, Bill check, material requisition & check etc.)

For Architectural & Structural

- **Analysis & Design Related software :** ETABS, STAAD.pro, SAP2000, SAFE, GEO Structural, All Pile , Ram Connection, Staad Foundation Advance.
- **Drafting Related Software:** Auto CAD, Revit, Tekla, Sketch up
- **Testing for Structural Safety:** Core Test, Ferro-scanning Test, UPV Test, Rebound Hammer Test, Rebar Test, Steel plate Test, Soil test, Pile load Test, Pile Integrity Test (PIT).

For MEP

- Electrical & Fire safety design & installation as per BNBC, NFPA & ACCORD/ NIRAPON/ WALMART/PRIMARK/ GAP guidelines and Plumbing design as per BNBC & Labour Law.
 - Testing for Electrical Safety : IR (Insulation Resistance), ER (Earth Resistance) & Thermal scanning.
 - Testing for Fire Safety: Fire Alarm System & Fire Hydrant System Testing, Inspection and Maintenance.
-
- During Architectural & Electro-Mechanical Design Consider Environmental Issue
 - Suggest Use effective & Environmental Friendly Materials During Construction
-
- Safe & Economic Design
 - Use Modern Technology & Materials

VISION

To be prominent leader in Structural, Plumbing, Electrical & Fire (MEP) Safety engineering services, and to design structures that are second to none in safety, quality and cost effectiveness.

MISSION

STRATEGY

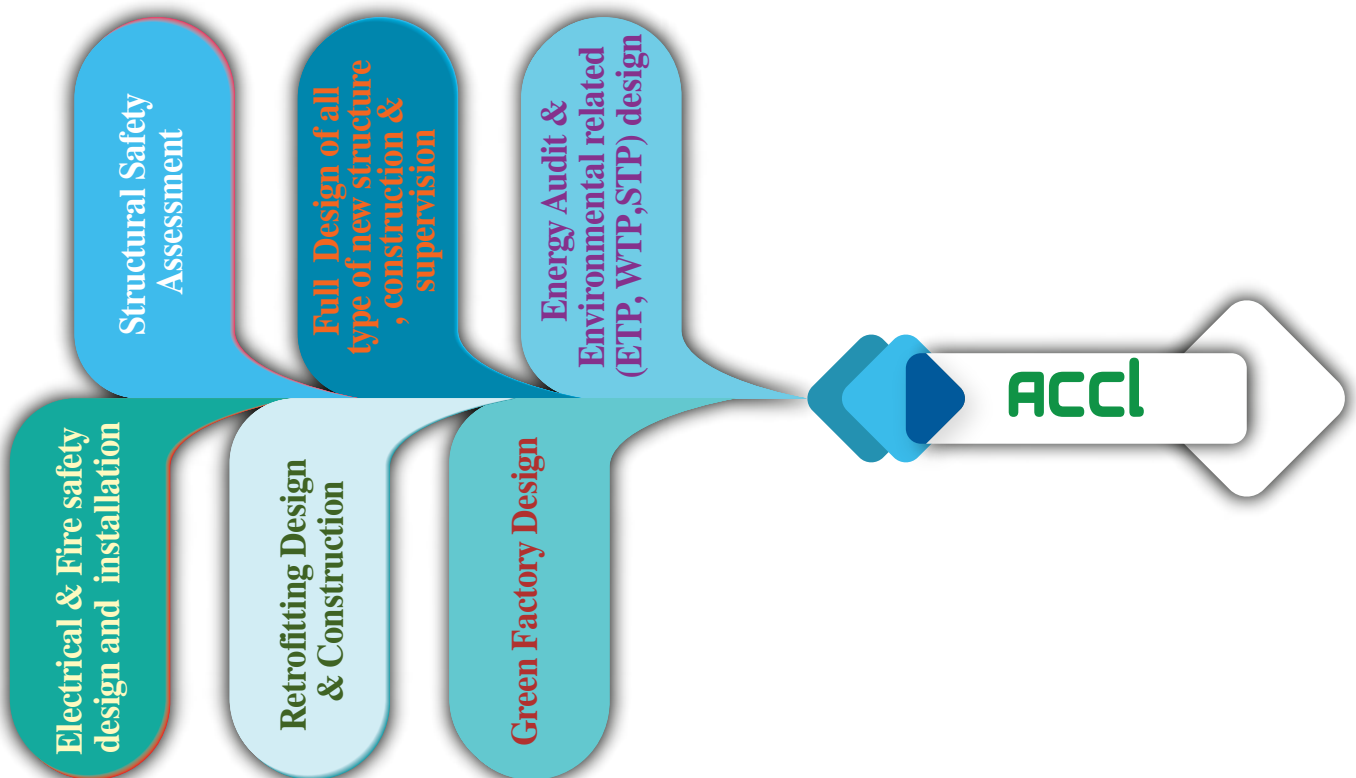

To advance the practice of structural, Plumbing, Electrical & Fire (MEP) engineering services in terms of safety quality and cost effectiveness. We adopt innovation with a sense of crisis and execute changes with priority. We act always ethically ensuring fairness with honor and grace under all circumstances. We take full responsibility as a good corporate citizen in pursuit of mutual prosperity of our community, nation and human society.

Our strategic goal is to be the leader in civil engineering markets in Dhaka, Narayanganj, Chattogong, Cumilla & Mongla for the short term and nationally in the long term. We see growth opportunities in concrete and steel building design and construction. We also see growth opportunities in structural safety analysis and maintenance. Our strong design team allows us to stay ahead of others in our industry.

Strategy

- ✎ Structural, Electrical & Fire Safety (MEP) Assessment/Evaluation/ Audit.
- ✎ Destructive and Non-Destructive Test (DT & NDT) of Concrete and Steel Structures including soil & pile related all test.
- ✎ Pioneer in Seismic Retrofitting of Existing Structures in Bangladesh.
- ✎ Full Structural Design of RCC and Steel Structures including construction & supervision.
- ✎ Environmental issue related Structural Design such as ETP, WTP,STP.
- ✎ Plumbing, Fire & Electrical safety design and installation, Fire Safety Plan including various electrical related test.
- ✎ Design of road (RCC & Flexible), drain, culvert, bridge and related infra-structures.
- ✎ Preparation of Master plan of whole factory / Economic zone.
- ✎ Preparation of DPP (Development Project Proposal) and details BoQ of building/ whole project.
- ✎ Preparation feasibility study (social impact, environmental impact & financial impact) of project.
